

## John G. Chipura Foundation Scholarship Application

The John G. Chipura Foundation was formed in memory of John G. Chipura, a New York City Firefighter, and other rescue workers who sacrificed their own lives on September 11, 2001, to save the lives of those innocent victims of the terrorist attacks at the World Trade Center. The purpose of the Foundation is to distribute funds raised, to the needy within the community; such as to the families with terminal illnesses, for families of children that are hurt or injured and are in need of monetary assistance, and to BSA Eagle Scouts who continue their higher education.
